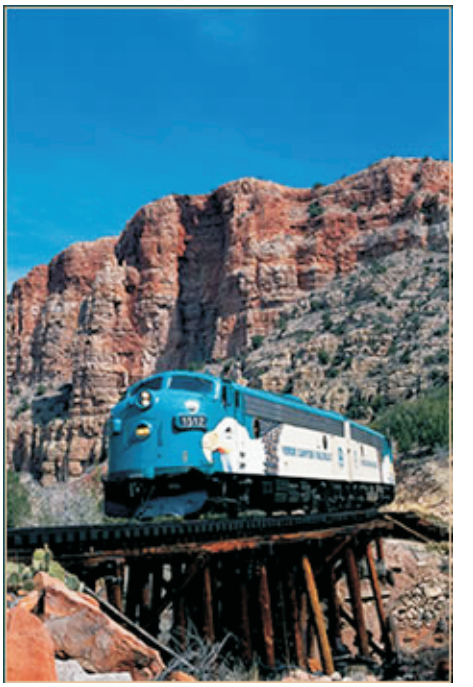
All Aboard!

For a ride on the Verde Canyon Railroad



This relaxing and breathtaking 4-hour rail journey through the red rock majesty of the Verde River Canyon departs from Clarkdale, Arizona, just 2 hours north of the Valley. The Arizona Rail Passenger Association has arranged for special coach group rates for our excursion.

Enjoy a comfortable coach seat, an adjoining open air car, on-board snack bar, and entertainment during your trip on this beautifully restored diesel powered streamliner.
